TYP03 Extension amazing

Georg Ringer

Motivation

- Provide improvements for editors & integrators
- Tests for Core features
- Backport of features to 10 LTS / 9 LTS

Module Pages

- Improved rendering of RTE text
- Backend Layouts with CSS

Create a new translation of this page

German

   Content Page

Normal

Default Behaviour

+ Content

  German

A typical headline

This is just tons of text, added by an editor - using
numbered lists for numbers

and

bullet lists

and of course there are links and other formatting like bold or italic or
some subscript.

Never forget a blockquote!

or a table

Cell 1 Cell 2 Cell 3 Cell 4 A longer cell

+ Content

+ Content

Improved Behaviour

  German

A typical headline

This is just tons of text, added by an editor - using

1. numbered lists
2. for numbers

and

- bullet
- lists

and of course there are links and other formatting like **bold** or
italic or some _{subscript}.

Never forget a blockquote!

or a table

Cell 1	Cell 2	Cell 3
Cell 4	A longer cell	

+ Content

Header

Events

Main

A large rectangular area with a teal-to-blue gradient background. It contains a white button with a plus sign and the text '+ Content' at the top left. Below it is a grey bar containing a list icon, a German flag, and the text 'DE'. To the right of this bar are three icons: a pencil, an eye, and a trash can. The main body of the area is white and contains the text: **A content element**
this is just a content element. At the bottom left, there is another white button with a plus sign and the text '+ Content'.

Boxes

Quiz

Black

Module List

- New record view
 - Remove not needed items
 - Simplify user/-group creation
- Collapse/Expand all
